# ABOUT US

We are pleased to introduce Rizmed International as one of the leading manufacturers and Exporters of Horse and Rider Equipment incorporated in Pakistan. We are in this business since 1998. We have vast experience in this field. We use best quality raw materials in manufacturing of our products. Our main goals are to supply high quality products with in the aggregated time frame work to our clients. Due to our strongly committed professionalism and specialization of our expertise our prices are very competitive. We wish to do the right things on the very right way at the right time, so that our products confirm by our customers satisfaction. We are too much committed for our customers satisfaction to provide them quality products on reasonable price.

We are mainly dealing in manufacturing and export of all sort of Half Chaps, Full Chaps, Gaiters, Gloves, Saddle Pads, Rugs and other accessories both for horse and riders.
